

MomVita

- REAL LOVE CARE INSTANT CEREAL MIX
- ANIMAL BABY FOOD

INTRODUCTION

Baby food for Animal is any soft, easily consumed food that is made specifically for baby animals. Easily digestible food, enriched with vegetables, carotenoids, vitamins and minerals. It is developed after lot of research and strong efforts with a new concept for all Domestic & Wild Animals , which are sometimes missed the Mother care and it's Food. It is a simply and easy Instant mix which solves the problems of Animal Love care peoples who take cares for small newly born animals.

MECHANISMS OF ACTION

Improve Digestion And Strong Immune System.

KEY BENEFITS

- Complete & Balance Nutrition is the key for Healthier & Happier Animals.
- Animals grow from Day 1 to 2 to 4 months, higher demands for balanced nutrients.
- Low Immunity make animals higher susceptible to nutrients.
- Low enzymatic activity leads to poor nutrients absorption.
- It saves their life by lack of foods and control the Death Rates of it.
